Scope:

For the purpose of above shipments:

Vessel must have center line bulkheads and not older than 22 years of age.

CHARTERERS AGENTS BOTH END

Charterer to nominate agents and owners to appoint them at both load and discharge ports respectively.

Port Disbarments to be as port tariff and agency fee to be competitive.

Owners shall load cargo into suitably coated tanks which are suitable for the carriage of methanol in liquid bulk.

The following cargo (es) are not suitable as last cargo:

- Leaded gasoline
- Lube oil
- Veg oil/Palm oil
- Acrylonitrile
- EDC
- Styrene

The following results are the minimum expected for the charterer's inspector to pass the tanks for methanol loading results of testing and sampling after wall wash:

- must be free from hydrocarbons

SECO International Trading Co.

- chloride to be less than 2 ppm, and
- PTT to stay clear for 60 minutes

1. Payment terms:

%100 of Freight per each voyage shall be remitted in US Dollars OR EURO to Owner's nominated bank before vessel arrival at first discharge port but always BBB after receiving Owner's invoice. Any demurrage claims must be submitted in writing within 30 days of the date of disconnection of the discharge hoses

2. Failure to Nominate Vessel:

If Owner fails to nominate a performing vessel that complies with the requirements of this tender fourteen (14) days prior to the beginning of the agreed lay days, or the nominated vessel will not arrive at the loading port within the agreed lay days, or the nominated vessel is not ready to load (whether in berth or not), then Charterer has the option to cancel Owner's vessel and obtain a vessel from the market in which case any freight rate difference will be payable by Owner to Charterer. The Owner shall bear all reasonable additional costs incurred by Charterer in chartering an alternative vessel, with such option to be declared by Charterer at least fourteen (14) days before the alternative vessel's expected to arrive at the Load Port

If Charterer accepts a vessel that the Owner has nominated later than fourteen (14) days prior to the beginning of the agreed lay days, or the Owner for any reason substitutes another vessel for a vessel nominated, then all delays in berthing the vessel or the substitute vessel shall be for Owner's account.

3. Dead freight:

Dead freight (if any) shall be settled together with the demurrage payment for the cargo.

No Dead Freight to apply if nominated quantity of cargo is applied.

Owners are to indicate demurrage rate along with the tender.

Other terms and conditions as per ASBATANK VOYAGE CP with logical amendments and charterers riding clauses.

Bidders are to attach their nominated vessel Q88 and latest vessel class report, P&I and H&M insurance certificates plus last 3 cargoes.

SITCO has the right to reject any offer which is incomplete, sent after the dead line or found not suitable.
